Rotary Bar-B-Q 10 Days Away

The Antioch Rotary Club's big event is only 10 days away. The Country Bar-B-Q and Dance at St. Peter's Social Center is scheduled Saturday night, Sept. 21.

A very interesting Flea Market Auction will be held from 7 to 9 p.m.

Food will be served from 6 to 9 p.m. and there will be

entertainment and dancing till midnight or later.

Tickets are being sold by Rotary Club members for \$7.50 a person. They also are on sale at both Antioch banks, from

Mick McDermott at Ken-Wal Dodge, and at the Antioch News.

Proceeds from the event will be used by the Rotary Club to benefit the Antioch community.

Richmond-Waukegan Freeway Studied

SPRINGFIELD-Illinois Department of Transportation study teams will prepare environmental impact state-

ments for two proposed supplemental freeways in Cook, Lake and McHenry counties.

The study area for proposed

Freeway 420 (Richmond-Waukegan Freeway) is between Allman Road and the Wisconsin state line north of Richmond. The study area for proposed Freeway 432 (Lake-Will Freeway) is between Belvidere and Dundee roads.

The freeways are part of the Northeastern Illinois Transportation System developed by the Chicago Area Transportation Study. They will serve local as well as regional travel demands.

The study teams will interview area residents to determine possible effects of the proposed freeways on the environment.

Completion of the first draft of the statement is expected by

Dec. 1, when it will be distributed for review by interested governmental agencies. Comments from the various agencies will be incorporated into the final statement submitted to the Federal Highway Administration in April of 1975.

PERMISSION WAS granted to the Knights of Columbus to conduct their annual tag day for the mentally retarded from 12 noon on Nov. 1 until 12 noon on Nov. 2. United Cerebral Palsy of Greater Chicago will conduct its annual appeal in Antioch the week of Jan. 15, 1975.

The trustees approved a building permit for a dry cleaning establishment at 524 Lake Street. It will be operated by an Antioch couple, Lee and Gert Ipsen.

The board decided that a building at 1108 Main Street is a hazard and instructed the building inspector to demolish it.

Grass Lake Has New Teachers

A number of new teachers have joined the Grass Lake School staff.

Teaching first grade for the coming year will be Miss Michelle de Verteuil. Miss de Verteuil is a 1974 graduate of National College of Education in Evanston, with an elementary education major. She is a member of Kappa Delta Pi and has been active in the theater, both in acting and production.

Miss Karen Jo Richard is a 1973 graduate of Illinois State University in Normal. Majoring in elementary education, Karen will teach the sixth grade. In addition to being named to the Dean's List, she was active in various clubs and organizations while at Illinois State.

Mrs. Judy Carmody is a 1974 graduate of Eastern Illinois University in Charleston, with a

major in mathematics. She teaches math at the seventh and eighth grade level at Grass Lake. Judy has been in many activities, among them the Junior High Majors Club. Mr. and Mrs. Carmody live in Crystal Lake, where her husband also is a teacher.

Mrs. Donna Daniel, educated at Carthage College in Kenosha, will be organizing and operating the school Library Resource Center for the coming year. Donna has helped in a number of libraries and centers in the area.

Mrs. Gail Whitehead has been retained as a bus driver for the coming year after completing training during the summer.

The Grass Lake School Board meeting time has been changed from 7 p.m. to 7:30 p.m. on the second Tuesday of the month.

Mrs. Metzler Tells Plans For Clerk's Office

Speaking to a full house at the Grant Township Republican Club meeting in Ingleside, Margaret W. (Suzie) Metzler, Republican candidate for Lake County Clerk, told the members and guests some of her plans to make the operation of the County Clerk's office "more efficient" if she is elected.

Mrs. Metzler stressed her background of experience in office management through her present position as the Executive Secretary to the Lake County Republican Federation and Central Committee for the past 11 years. She also told of her formal training and knowledge of election laws which she said would enable her to run a more equitable election for all of the voters in Lake County.

"Strict adherence to the election laws as written, plus more comprehensive and concise instructions to the election judges" was a part of her pledge.

Mrs. Metzler closed with her campaign slogan, "Public office belongs to all of the people - not to the person who holds it."

Voter Registration Drive Underway

County Clerk Grace Mary Stern has announced a massive voter registration drive for the month of September particularly the week of Sept. 15.

"We hope to make registration unavoidable for the citizens of Lake County," she said. "A proclamation has been issued by the clerk's office declaring Sept. 15-21 as GET REGISTERED WEEK, and the proclamation has been sent to every municipality in the county with the suggestion that it be adopted. Most have already done so, and the proclamation appeared on the agenda for the County Board to consider yesterday."

"We've written to each fraternal and social organization whose address we could find, to urge their participation. We've alerted the schools, because surely this is of interest

to them too," Mrs. Stern said. "We're counting on the cooperation of the Leagues of Women Voters and the various unions in Lake County. A little publicity within these groups - a little extra effort on everybody's part, and we should be able to add 20,000 voters to the roll."

The clerk's office estimates that nearly 25 per cent of the eligible residents of the county remain unregistered, or have not kept their voter's registration current. To be eligible, one must be a citizen, at least 18 years of age, who has lived at his or her present address for a minimum of 30 days.

Antioch Township has nine deputy registrars: Genevieve Benes of Lake Blvd., Jeannine Andrews at the Upper Grade School, Mary Blue at Oakland Grade School, Lena Dalgaard at Antioch Grade School, Marilyn Slater and Marcella Jesse at the township office, Sharon Leland at Channel Lake School, and Kenneth Wierschheim and Gary Allen at the high school.

Registrars in the Lake Villa township include Margaret Finley at the township office and Judy Kempher at the Lindenhurst village hall.

LANDFILL

from Page 1

cited several possible violations and health hazards.

The Pollution Control Board is supposed to study a 31-page list of complaints and decide whether to hold a public hearing.

Named as respondents in the Little Silver Lake group's petition are Waste Management of Illinois, HOD Disposal Inc., CCD Disposal, the Lake County Health Department and the Antioch Village Board.

The village board voted 5-1 on July 15 to rezone 60 acres of the 80-acre landfill site from light industry to heavy industry, permitting operation of the landfill. Casting the dissenting vote was Trustee Marge Nelson.

The Little Silver Lake group vowed at that time to continue its fight against the landfill. The points included in their new complaint charged that soil conditions are unfit for the landfill operation, it is in a flood plain, pollution threatens domestic wells, and the welfare, safety and health of residents have been disregarded by the village board.

PM&L Planning Season 14

There is always excitement with the opening of a new show at PM & L and at this time of year there's the excitement of opening a new season.

Lucky Season 13 has passed and Season 14 is ready to begin with an excellent lineup of music, comedy and drama sure to please Antioch area theatre-goers.

"The Roar of the Greasepaint-Smell of the Crowd" by Anthony Newly and Les Bricusse, and directed by Bob Bundy, will launch the season on Oct. 12, 18, 19, 25 and 26 at the PM & L Theatre, 877 Main St., Antioch.

This musical is the game of life played on the stage on a game board. It's like a Laurel and Hardy movie set to music and runs the gamut of emotions from lighthearted fun to sadness and heartbreak.

The vivacious cast includes many faces new to PM & L. Rusty Long from Lake Villa plays Cocky and Dave Dagley from Wildwood is Sir. The Urchins are Lyn Zaehler, Terry Bryn, Rosline Scheske, Mark Biel and Jeff Smouse from Antioch, and Tracy Teltz from Lake Villa.

Rita Shields from Fox Lake is Kid, Mary Chris LaKome from Lake Zurich is Girl, and Frank DiMarco from Antioch is Bully. Also appearing is Ken Smouse from Antioch.

Following "Roar" of the

Greasepaint" will be the family show "Mickey" in December. The comedy "Prisoner of 2nd Ave." by Neil Simon is planned in February, "John Brown's Body" by Steven Vincent Benet in April, and "Butterflies are

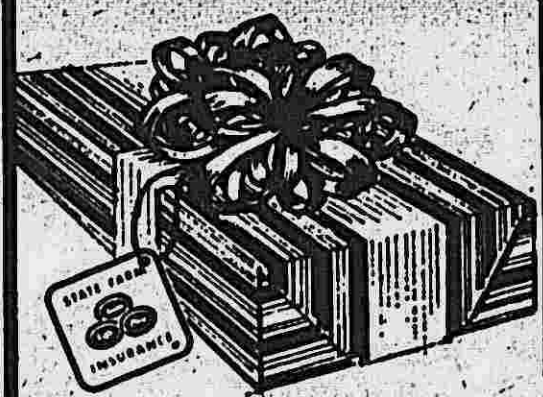

Free," a comedy by Leonard Geshner, in June.

Curtain time for all performances is 8:30 p.m. except for the holiday show, "Mickey." Times will be announced later. Buy your season ticket now at

the bargain price of \$8 for 5 shows. On Oct. 1 the price goes up to \$10. Send your check, name, address and phone number to PM & L, Box 23, Antioch, IL. 60002. Tickets will be mailed to you after Oct. 1.

The Time Machine

70 YEARS AGO: SEPTEMBER 8, 1904

William Keulman has moved his jewelry store into the building vacated by Henry Herman, next door to his old location, where he will be pleased to see his friends and customers.

School opened on Monday with a total enrollment of 149 pupils.

50 YEARS AGO: SEPTEMBER 11, 1924

There are 120 pupils enrolled at the high school, and there are several yet to come in. There are only 121 seats so it seems that there is likely to be a full house. The courses this year are almost the same as in preceeding years with the addition of Farm Management and Spanish. There are 167 pupils enrolled at the Grade school.

Five men, including the Fox Lake postmaster, justice of the peace and lumber dealer were arrested by county authorities Sunday night on a charge of conspiring to defeat justice after several men were freed on bonds when they had not yet ever been booked.

20 YEARS AGO: SEPTEMBER 9, 1954

Antioch businessmen want an outlet of the new Illinois-Wisconsin toll highway at Rt. 173. Through the Chamber of Commerce they enlisted the aid of the village board in petitioning for an entrance and exit wherever the toll road crosses the highway leading into Antioch.

The first step to get action in the installation of a crossing signal at the Soo tracks of Depot St. was taken by the village board Tuesday when it passed a resolution to pay up to half of the cost of a blinker system not exceeding \$8000.

Because of its success and the public demand, the shoppers' free bus service will be continued for three more months ending Jan. 1.

10 YEARS AGO: SEPTEMBER 10, 1964

On Sunday, more than 250 families are expected to visit Allendale School for Boys in Lake Villa and participate in the festivities surrounding Allendale Day, 1964, the school's annual open house.

Antioch Community High School will have Senator Robert Coulson as guest speaker when faculty members host the Northwest Conference of Superintendents this Tuesday.

Angelotti told the board that Nov. 1 is the target date for completion of the village sanitary plant.

The village board meets again Monday night at 8 p.m.

THIS FALL the owners of Pheasant Creek No. 2, better known as CABL, probably will be coming back to the Antioch planning commission with a pre-annexation agreement.

The commission has agreed to let Pheasant Creek No. 2 be annexed under a subdivision

ordinance. However, when and if the land is developed, it probably will be under the village's new Planned Unit Development (PUD) ordinance.

There are no immediate plans for developing the property, only annexation plans.

Pheasant Creek No. 2 includes 154 acres west of Tiffany Road and south of North Avenue. Present plans call for zoning 10 acres as business property and 144 acres as residential, with five housing units per acre. If fully developed, that could mean 720 units which, potentially, could increase Antioch's population by 2,000 or 3,000.

The owners of the property include Dr. Albert Bucar, Dr. John J. Lorang, Dr. Edward Abderholden and Ted and Bob Costoff.

Along the way with ANNIE MAE

Well now that Evel Knievel has been declared safe, we can all wonder if we'd risk breaking our neck for 6 million dollars - Not me, I'm a chicken.

Congrats to Ron and Kathy Horton (and a little sympathy, too) on the birth of their twin daughters last Saturday. Renee Lynn and Robin Marie were born at Victory Memorial Hospital in Waukegan. Ron hopes to have all his ladies home today, but the girls were just a little bit small so they may have to stay a few days. Happy grandparents are Mr. and Mrs. Robert Garvin and Mr. and Mrs. Ray Horton of Antioch.

Lee and Sue Loecher are happy to announce the birth of their daughter, Becky Lynn, on September 4. The little lady tipped the scales at 7 lbs. 1 1/2 oz. The Loechers have a 17 month old son, Brian, also. Grandparents are Mr. and Mrs. Larry Loecher, formerly of the Antioch area and Mr. and Mrs. Charles Toman of Felters Subdivision.

Mrs. Sophie Radokovic tells us she is just back from a trip to Toronto, Canada. Sophie and her daughter Millie Bradica and family camped along the way. While there they visited the fairgrounds and heard Doc Severenson and his band.

Shirley and Bernie Gutowski and Frank and Lucille Kuechenmeister spent Labor Day weekend at Door County with their families. Except for a little rain the group had a fine time diving, boating and swimming.

70 YEARS AGO: SEPTEMBER 8, 1904

William Keulman has moved his jewelry store into the building vacated by Henry Herman, next door to his old location, where he will be pleased to see his friends and customers.

School opened on Monday with a total enrollment of 149 pupils.

50 YEARS AGO: SEPTEMBER 11, 1924

There are 120 pupils enrolled at the high school, and there are several yet to come in. There are only 121 seats so it seems that there is likely to be a full house. The courses this year are almost the same as in preceding years with the addition of Farm Management and Spanish. There are 167 pupils enrolled at the Grade school.

Five men, including the Fox Lake postmaster, justice of the peace and lumber dealer were arrested by county authorities Sunday night on a charge of conspiring to defeat justice after several men were freed on bonds when they had not yet ever been booked.

20 YEARS AGO: SEPTEMBER 9, 1974

Antioch businessmen want an outlet of the new Illinois-Wisconsin toll highway at Rt. 173. Through the Chamber of Commerce they enlisted the aid of the village board in petitioning for an entrance and exit wherever the toll road crosses the highway leading into Antioch.

The first step to get action in the installation of a crossing signal at the Soo tracks of Depot St. was taken by the village board Tuesday when it passed a resolution to pay up to half of the cost of a blinker system not exceeding \$8000.

Because of its success and the public demand, the shoppers' free bus service will be continued for three more months ending Jan. 1.

10 YEARS AGO: SEPTEMBER 10, 1964

On Sunday, more than 250 families are expected to visit Allendale School for Boys in Lake Villa and participate in the festivities surrounding Allendale Day, 1964, the school's annual open house.

Antioch Community High School will have Senator Robert Coulson as guest speaker when faculty members host the Northwest Conference of Superintendents this Tuesday.

Angelotti told the board that Nov. 1 is the target date for completion of the village sanitary plant.

The village board meets again Monday night at 8 p.m.

THIS FALL the owners of Pheasant Creek No. 2, better known as CABL, probably will be coming back to the Antioch planning commission with a pre-annexation agreement.

The commission has agreed to let Pheasant Creek No. 2 be annexed under a subdivision

ordinance. However, when and if the land is developed, it probably will be under the village's new Planned Unit Development (PUD) ordinance.

There are no immediate plans for developing the property, only annexation plans.

Pheasant Creek No. 2 includes 154 acres west of Tiffany Road and south of North Avenue. Present plans call for zoning 10 acres as business property and 144 acres as residential, with five housing units per acre. If fully developed, that could mean 720 units which, potentially, could increase Antioch's population by 2,000 or 3,000.

The owners of the property include Dr. Albert Bucar, Dr. John J. Lorang, Dr. Edward Abderholden and Ted and Bob Costoff.

Along the way with ANNIE MAE

Well now that Evel Knievel has been declared safe, we can all wonder if we'd risk breaking our neck for 6 million dollars - Not me, I'm a chicken.

Congrats to Ron and Kathy Horton (and a little sympathy, too) on the birth of their twin daughters last Saturday. Renee Lynn and Robin Marie were born at Victory Memorial Hospital in Waukegan. Ron hopes to have all his ladies home today, but the girls were just a little bit small so they may have to stay a few days. Happy grandparents are Mr. and Mrs. Robert Garvin and Mr. and Mrs. Ray Horton of Antioch.

Lee and Sue Loecher are happy to announce the birth of their daughter, Becky Lynn, on September 4. The little lady tipped the scales at 7 lbs. 1 1/2 oz. is Mighty McDermott, the motorcycle daredevil who comes to Kenosha County Speedway in Wilmot Sept. 28.

Among other things, McDermott will ride down the track with a flaming cloth bag over his head.

Sounds like a thrill I'll skip, thank you.

I ALMOST GOT killed (no applause, please) at the corner of Lake and Main again.

The WALK light went on, I began to cross the intersection and some young chick whipped her car around the corner, missing me by the narrowest of margins. (She apparently was talking to a passenger and didn't notice that a pedestrian's life was in jeopardy.) I noticed that other motorists, who had stopped, were sitting wide-eyed in their cars as they watched the near tragedy.

This is the second time I came within inches of being carted from the corner of Lake and Main to Victory Memorial Hospital. That corner is beginning to scare me. Maybe we need a pedestrian overpass.

In most cases, though, crossing Antioch streets is a pleasure. Most motorists actually stop, smile, and let pedestrians have the right of way. It beats living in Chicago or Milwaukee.

BIKE-A-THON PARTICIPANTS -- The Antioch Assembly of the Order of the Rainbow for Girls held a Bike-A-Thon Saturday to raise money for the Antioch Rescue Squad. Last year they raised more

than \$400 and this year's total will be announced soon. Among Saturday's 16 cyclists were (from left) Jenny Beese, Louise Kutz, Laurie Poulos, Linda Kelley and Wendy Weldin.

Names in the News

Michael Warren, Antioch realtor, will be included in a national awards publication titled "Outstanding Young Men of America for 1974."

The book is an annual biographical compilation sponsored by leading men's civic,

service and professional organizations. Criteria for inclusion in "Outstanding Young Men of America" are service to others, professional excellence, business advancement, charitable activities and civic and professional recognition.

ROCK ISLAND, Ill.—Michael A. Bailey, son of Mrs. Harriet J. Bailey, Lake Villa, is among 60 Augustana College students enrolled in the college's first Fall Quarter in Asia program.

They left Sun., Sept. 8, from Chicago's O'Hare International Airport. The 65-day study tour will include three weeks in Tokyo, 10 days in Kyoto, Japan, three weeks in Hong Kong, one week in Taiwan, and four days in Honolulu. The students will be studying five courses, all taught by Augustana professors and will return to the states Nov. 12.

Bailey is a senior at Augustana.

SAN ANTONIO—Airman Robert J. Smith Jr., son of Mr. and Mrs. Robert J. Smith Sr. of 406 Wayside Place, Lake Villa, Ill., has been assigned to Chanute AFB after completing Air Force basic training.

During his six weeks at the Air Training Command's Lackland, Texas base he studied the Air Force mission, organization and customs and received special instruction in human relations.

Bob has been assigned to the Technical Training Center at Chanute for specialized training in the aircraft equipment maintenance field.

He is a 1974 graduate of Grant High School in Fox Lake.

Vicki Atchley, Colleen DeVries, Laura and Danelle Jancowski, Carla and Connie Lytikainen, Irene Nevitt, Sheri Weber and 13 girls from the Lakeview Girl Scout Council attended a camp-out at the Kenosha Girl Scout Council's Camp Pottawatomie Hills.

The girls learned how to operate a canoe and attended small craft safety classes, a basic canoeing class followed.

Everyone had a super time coming home tired but happy.

In the quest of success, just remember there's no substitute for character or service.

CHANNEL LAKE CHATTER

Paul Hain Is New School Principal

Channel Lake School has welcomed Mr. Paul Hain of Glenview, Ill. as its new principal this year.

Mr. Hain is replacing Walter Soderman who has taken the job of principal at Oakland Grade School.

Mr. Hain formerly taught art in the Skokie school system.

Also joining the staff again this year is Mrs. Shelby Wais, who is helping Mrs. Mary Grover with the kindergarten class of 35 children.

The staff members of Channel Lake School held a dinner party at the Brave Bull on August 28. The guests of honor were Walt Soderman and his wife Marge. Walt has left our school to take a principalship at Oakland Grade School and the staff wanted to officially say good bye and good luck. Those enjoying the very delicious dinner were Tom "Robbie" Robinson, Marge and Bob Girten, Cliff and Betsy Houghton, Jean Soby and her sister, Sister Mary, Bob and Shiela Eisen, Mary Grover, Judy and Jerry Robinson, Lorraine Lemke, Sharon Leland and Louise Gutowski. After dinner the group was invited to

the Eisen's for an after dinner drink.

Many birthdays have been celebrated in our area recently. Dorothy Enzenbacher toasted another year on August 25. Stopping by to wish her well were her Aunt Hazel and Uncle Si from Round Lake, Don and Barb Bjork and Louise and Joe Gutowski.

Chris Eberman had a party at her home on August 29 to celebrate her sixth birthday. On the same day Scott Zeien was celebrating his fifth birthday with a party in the afternoon for his friends and a family party in the evening for a double celebration. August 29th is also Scott's grandfather, Dutch Zeien's birthday.

A very happy birthday to a special lady in our area, Harriet Runyard, who celebrated on Sept. 4.

Maggie Miles was treated to a surprise birthday party in honor of her 14th year. Hostess of the event was Sandy Kut of Antioch. Little Connie Myers had a party on Saturday afternoon for some of her first grade classmates to celebrate her sixth birthday.

Happy birthday to all.
Rich and Kathy Behren's

were the guests of honor at a going away party Saturday night at Tom and Dorothy Chase's home. Over 100 friends, neighbors and relatives were on hand to wish the Behrens good luck and success in their new home. They have recently moved to Dyerville, Iowa where Rich has accepted a position with a new firm. The party was

a huge success with everyone enjoying the delicious buffet supper, supplied by all the ladies who brought their favorite dishes to pass. Rich and Kathy were delighted with the many gifts they received for their new home.

Stephanie Martin was the recipient of many lovely gifts at a bridal shower in her honor

Sunday afternoon. The shower was given by Ruth Trussell and her daughter Karen at their Camp Lake, Wis. home. Stephanie will be the bride of John Bjork on Saturday, October 12 in Lake Forest.

Mrs. Dorothy Enzenbacher and children went camping at Castle Rock, Wis. this past weekend. While there they met Gene and Virgie Rudolph and children and Gene's mother Mrs. Emily Rudolph. The group enjoyed good weather except for a short rain on Saturday.

Let me know the news.

Mr. and Mrs. Bill Gaa

The recent wedding of Kathy Randall and Bill Gaa was the culmination of a long acquaintance. The couple went through St. Peter's grade school together and both graduated from Antioch Community High School in 1972.

They were married in an early afternoon rite read by the Rev. Eugene Kuesal in St. Peter's Church.

A reception at Paty's Lounge honored the newlyweds. Kathy is the daughter of the Cliff Randalls of Antioch and Bill is the son of Mr. and Mrs. Don Gaa also of Antioch.

The bride's ivory gown was edged with venise lace, matching the Camelot headpiece that

held her fingertip veil.

She was attended by Mrs. Kenneth Slove of Lindenhurst, and Don Gaa was best man for his brother.

The former Miss Randall's sister, Mrs. David Talbott, was a bridesmaid with their cousin, Delthea Nehls.

Brothers of the couple, Michael Randall and James Gaa, were groomsmen, and Kenneth Slove and Michael Effinger were ushers.

Devil's Lake, Wis., was the newlyweds' honeymoon destination.

They have since made their home on Terry Lane in Lake Villa. Bill works for Commonwealth Edison and Kathy for Cherry Electric in Waukegan.

Linda Jean Schneider Weds David E. Stead

On Aug. 3 at the United Methodist Church in Morrisonville, Ill., Linda Jean Schneider of Antioch became the bride of Mr. David E. Stead of Farmersville, Ill.

The bride's parents are Mr. and Mrs. Maynard Schneider of Antioch and the groom is the son of Mr. and Mrs. E. L. Stead of Farmersville.

It was a double ring ceremony and the bride was given in marriage by her father.

The maid of honor was Miss Su Zanne Wood of Waggoner, Ill., a college roommate of the bride. Bridesmaids included her sister, Miss Mary Jo Schneider, and Mrs. Daniel Koeritz of Woodridge, Ill., also a

college roommate.

Penny Naas, a niece of the bride from Grand Rapids, Mich. was flower girl.

Mr. Carl Leonard of Farmersville served as best man and the groomsmen were Maynard C. Schneider of Antioch, a brother of the bride, and John Welsh of Farmersville.

The ushers were Ralph Weidner, the groom's brother-in-law, and James Lucas. Norman Weidner, the groom's nephew, was ring bearer.

Following a reception at the Knights of Columbus hall in Farmersville, the couple left on a honeymoon trip to St. Louis and the Ozarks. They are making their home in Farmersville.

Workshop for Student Studio Theater Group

During the week of Sept. 24-27, students enrolled in the Studio Theater class at the high school will hear speeches by professionals of the area. The group will meet in the auditorium of the school from 12:30 to 1:25 p.m. The public is invited to attend.

On Tues., Sept. 24, Frank Harnish of CLC will give a speech on "Philosophy of Educational Theater". Jane Pickus, Reviewer for the Waukegan News Sun, will speak on "The Role of the Critic" on Wednesday. On Thursday, Wallace Smith, Past National President of the American Educational Theater Association, will talk about "The Use of Improvisation in Theater". A representative of the Milwaukee Repetory Theater will complete the week with a slide presentation and speech on "Play Production at the Professional Level and Regional Theater".

State Bank Women To Convention

Mrs. Betty Sutcliffe, Vice President-Cashier, and Mrs. Dolores Pierce, Assistant Cashier, of the State Bank of Antioch will be delegates attending the 52nd Annual Convention of the National Association of Bank Women, Inc. in Orlando, Fla., Sept. 22-25.

The convention at the Contemporary Hotel in Walt Disney World is expected to bring at least 1,500 prominent women bank executives to Orlando for a program that will be focused on current issues in the banking industry.

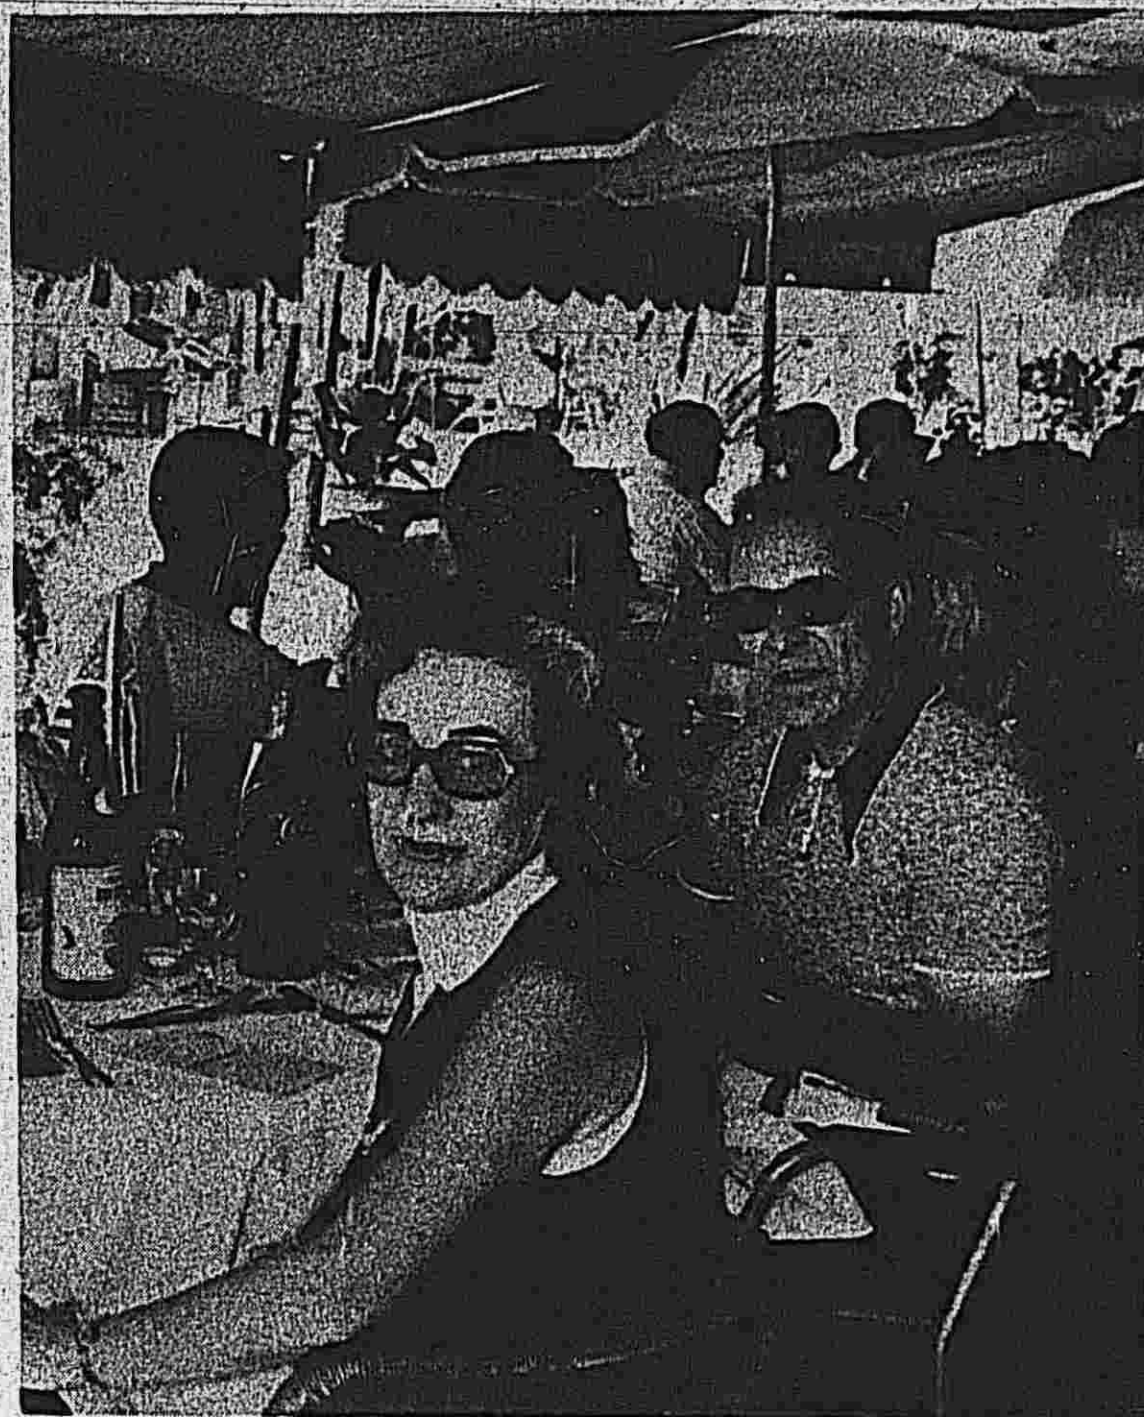

Included on the convention schedule will be an in-depth look at the growing role of the consumer in commercial banking, a study of the banking profit picture and a seminar on career advancement for women in the industry.

A progress report on the association's new degree-granting education program for on-the-job bank women will also be a major feature. Nationally-known figures from the world of business and finance will participate.

NABW has a membership of approximately 13,000 women, all officers of their banks. It directs its energies toward the enhancement of the prestige of bank women and increased educational and career opportunities for women in the industry.

Old Farmer's Riddle: What has no beginning and no end but has a center? (Answer below.)

Ask the Old Farmer: What are "dog days" and how long do they last? J. L., York Pa.

It depends on where you are. Dog days come in hot weather. They are a spell of hot, humid days and nights when all life gets parboiled. It used to be supposed that such weather would drive dogs mad.

Your Guide to Fine Dining and Excellent Entertainment

THE Entertainer

They've Heard About Andre's in South Africa

Andre's Steak House in nearby Richmond is very well known in these parts, but it also received some publicity in South Africa a while back.

As you probably know, Charlie Jacobson entertains at Andre's, at the organ and piano, Tuesday through Saturday nights.

A newspaper clipping at the restaurant -- from the Pietersburg, South Africa, Gazette -- tells about a lady from that city who was visiting her sister in Woodstock. This is the story:

"Mrs. Jeanette Venter's sister took her to a very posh restaurant known as Andre's Steak House. They were halfway through their meal when a gentleman walked in and said to her sister, 'Are these the guests you are expecting

from South Africa?'

"Her sister confirmed and they were introduced to Mr. Charlie Jacobson, the organist. They were chatting when Mrs. Venter heard Jacobson playing 'Sarie Marais.'

"I was so surprised that I started singing before I knew what I was doing," Mrs. Venter said. "And the other members of my company joined me."

The story continues:

"The local American residents were so amazed at this spontaneous reaction that they stopped eating and listened. Mr. Jacobson played several other traditional-Afrikaans songs and they again joined in. The local residents cheered the singers."

Mrs. Venter had other interesting comments about America:

"I was disappointed in Hollywood. There is nothing spectacular. It looks very much the same as Waterflood, in Pretoria, South Africa. The only thing really outstanding is the small Chinese opera house where film stars can see premieres of their own films."

And:

"Las Vegas is a city without a soul. People cannot think of anything else but money, which is their god."

THE VAULT RESTAURANT has a decorative new adornment -- an old vault door from the former bank building adds to the restaurant's Main Street appearance. Posing with the door (which doesn't open; it's merely a decoration) are Chef Dennis Hliopoulos (left) and Taso Maravelas, who owns the business along with his brother, Dino. The Vault has quickly become an extremely popular downtown Antioch restaurant.

☆ Your Police and the Community

By SUE SEDIVEC
Community Relations Officer

If you ever need police assistance and happen to come into the station when a young, attractive brunette is dispatching, you have met Sandy Domke, who has been working with the Antioch Police Department since December of 1973.

Sandy previously had gained police experience while working as a store detective for Carson's. She became more interested while taking law enforcement courses at the College of Lake County and learning of the profession from a former boss who was a police officer.

She admits that in receiving a "few" speeding tickets she met some very nice officers with good attitudes toward the police profession.

Sandy enjoys sketching, reading and -- believe it or not -- owns her own motorcycle, which she uses to get away from

it all.

She feels that the people she has met in the community have been courteous and are just nice people.

She looks at the job of police dispatcher as being as important a job as the men on the road. "I never realized until I started how much responsibility the dispatchers have," Sandy said.

During power failures, Sandy asks that people refrain from making unnecessary calls to the police station asking when power will be returned. This ties up emergency lines. The dispatcher notifies the proper authorities immediately and then it is just a matter of time.

Sandy will do her best to assist the community and anyone in need of help. Sandy is rather quiet but is a very nice person. And for those who are interested, she is SINGLE.

Lake Village Budget on Display

The Lake Villa school district's budget for 1974-75 is being displayed until Monday, Sept. 23, in the administrator's office. Hours are from 8 a.m. to 4 p.m.

A public hearing on the budget will be held in the

Intermediate School on Sept. 23 at 8 p.m. School officials will hear the public's views before adopting the tentative budget.

The regular meeting of the school board, scheduled for Tuesday, Sept. 17, has been switched to the 23rd.

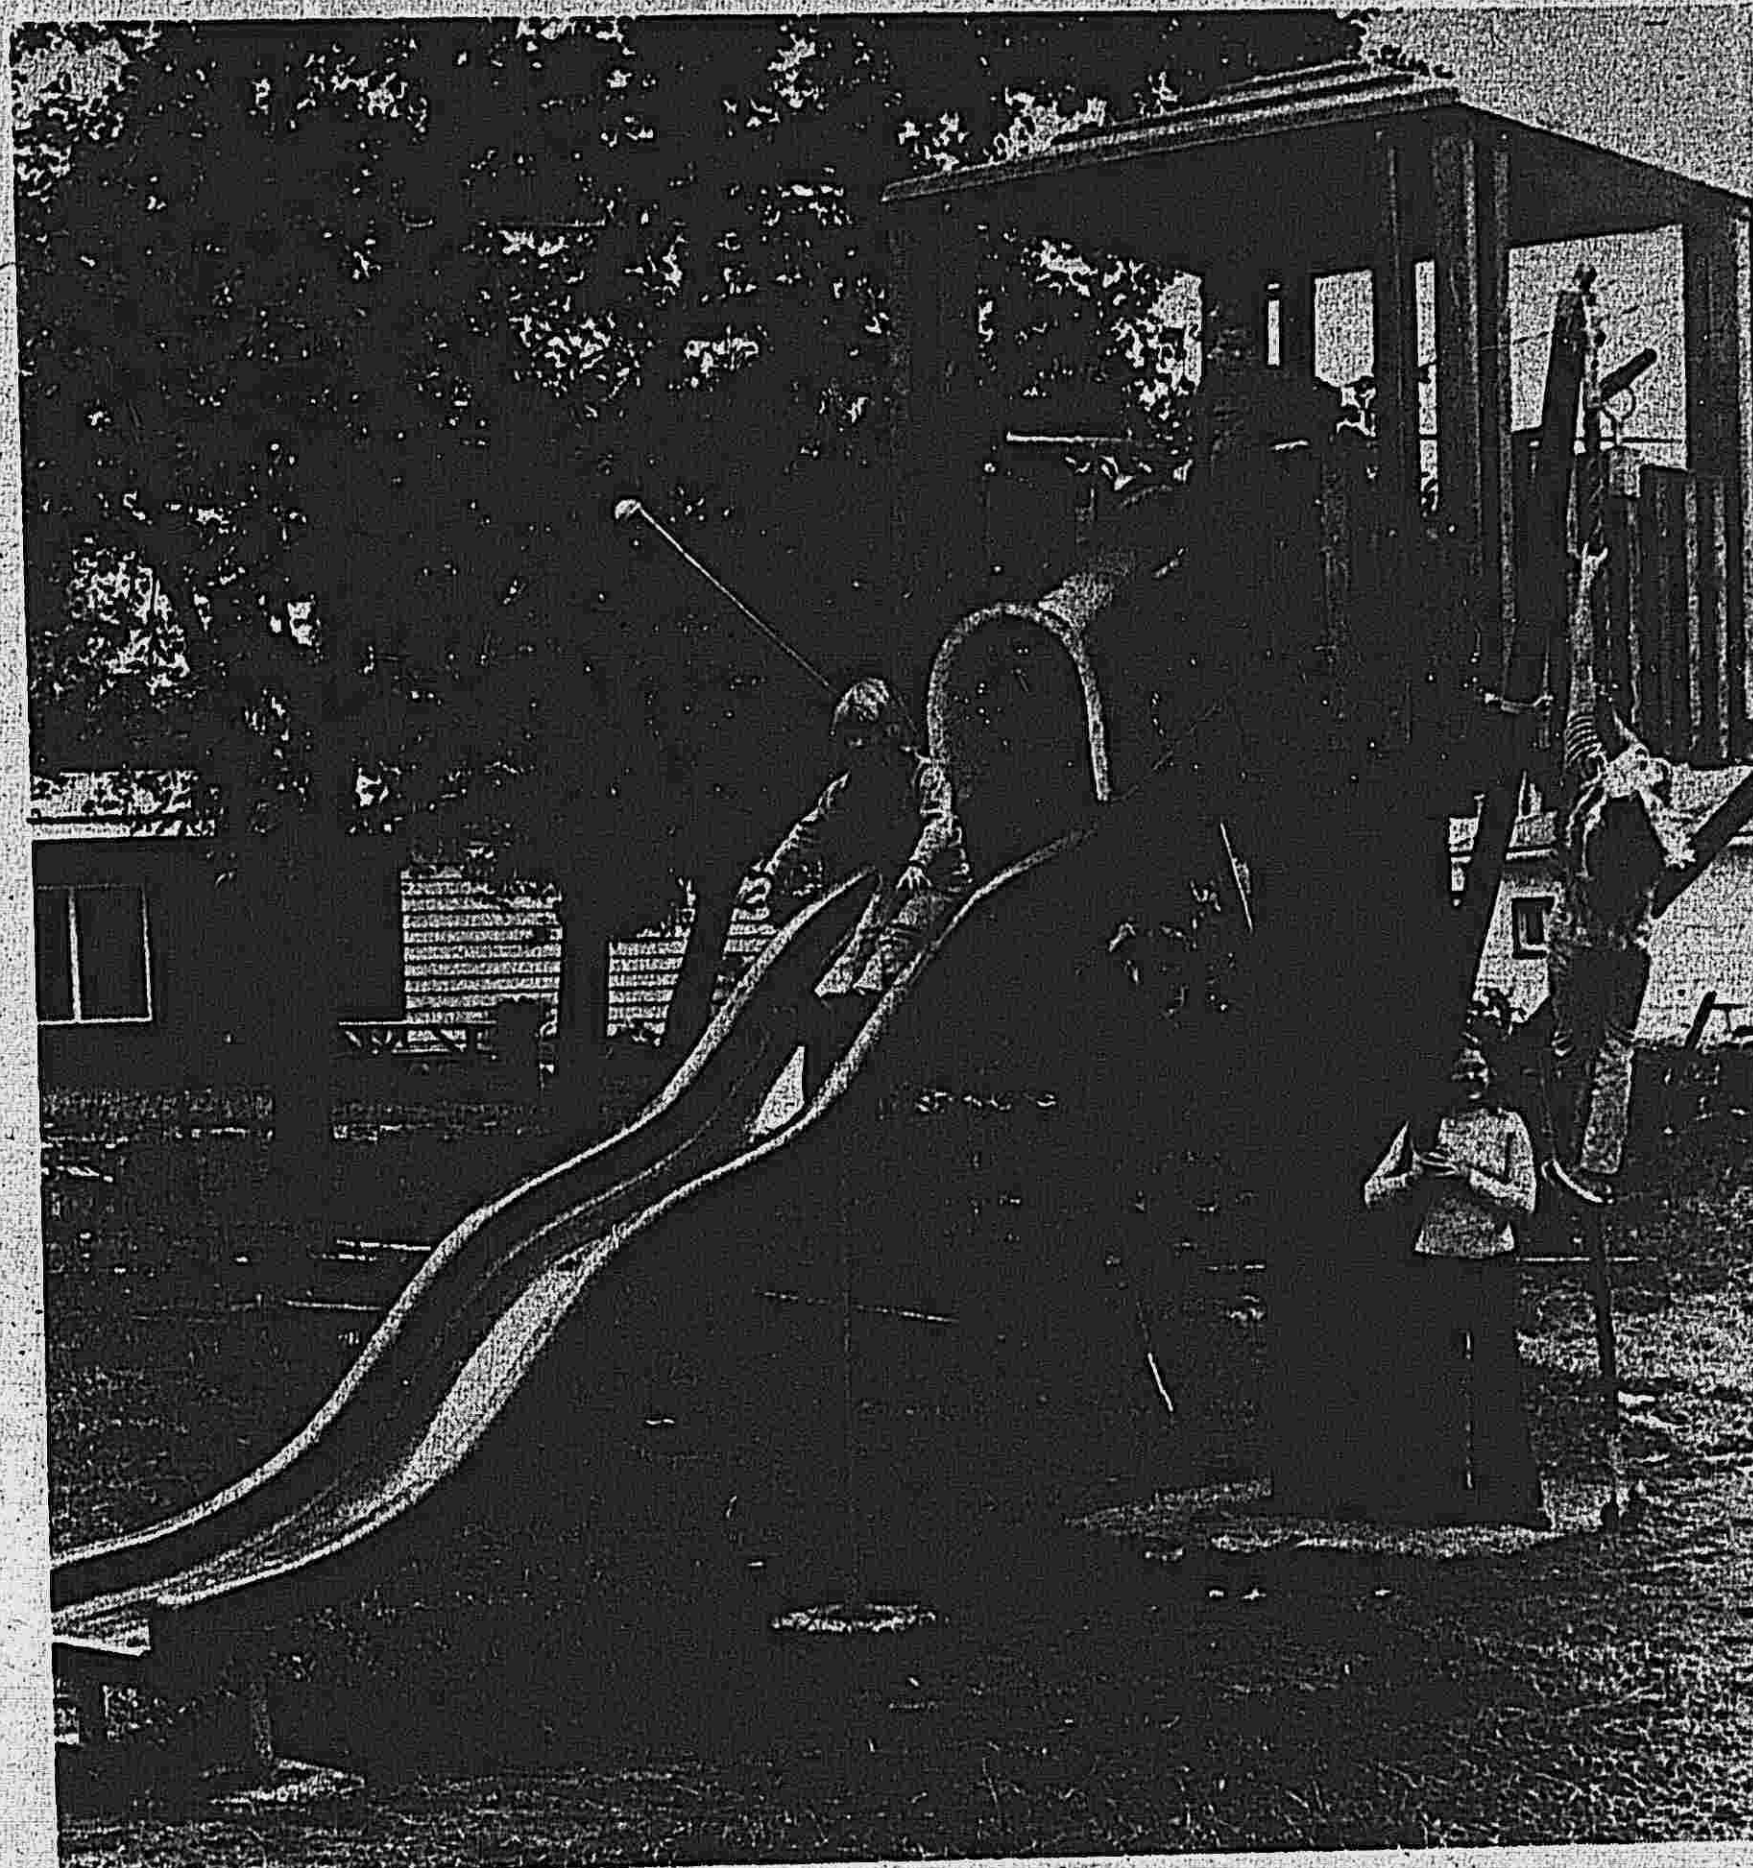

Even a woodpecker owes his success to the fact that he uses his head.

ENJOYING THE NEW SWINGS are Brian Burge (left) and Larry Burge. The new Jensen Park has several other playground attractions that are making life a little brighter for Antioch kids. The new village park has been named in honor of Dr. George W. Jensen, long-time Antioch veterinarian.

Rescue Squad Golf Meet Coming Up

The Antioch Rescue Squad's annual golf outing is only a week away.

The event, sponsored by John Teresi Chevrolet-Oldsmobile, will be held at the challenging and scenic Spring Valley Country Club course on Wednesday, Sept. 18.

Golfers are arranging their foursomes and should call the Spring Valley pro shop for

Dinner will be at Lorenz's Smart Country House at 7:30 p.m., preceded by cocktails at 6 p.m.

Persons who can't make it for golf, but wish to attend the dinner, will be charged only \$10.

Stresses Safe Working Conditions

In April of 1971 the Occupational Safety and Health Act (OSHA) became an official part

of National Labor Law. This act was passed to assure, as far as possible, safe and healthful working conditions for every working person in the nation.

The Lake County Highway Department, with the cooperation of its public service committee of the Lake County Board, under the direction of Chairman Lloyd E. Murrie (District 4), has taken strides in the past two years to upgrade its facilities and operations to work towards full compliance of the OSHA act.

The installation of safety items in the highway department buildings, such as lighted exit signs, designated fire extinguisher areas, wall-mounted hoist controls, an eye-wash fountain and grounding of all electrical tools and appliances are some of the things done to meet the requirements.

All of the highway department maintenance and engineering employees are issued

Big Plans Made for Lions Club Trap Shoot

Sept. 22 Is the Date

There is going to be a "Lion Safari" in Antioch on Sunday, Sept. 22, sponsored by the Antioch Lions Club.

Shotguns will be the fire-arms used, and the quarry will be clay pigeons, the breaking of which will reward the lucky gunners with ready-to-pop-into-the-cooker turkeys, ducks, rock cornish hens, young chickens, and beef patties. In other words, a trap shooter's dream.

THERE WILL be one, two, three and five White Bird shoots, High-low events, and High-Gun-take-all contests, so that every class of shooter, be he or she good, mediocre, or the plain every day "can't hit the ground with his hat" variety, will have an equal chance of winning a share of the goodies.

Five-man squads will fire from five different positions. In the High-low event, the gunner with the most hits will win a prize, as will the hapless Hal with the least hits.

In the White Bird contests, the high gun wins a prize, as do all the lucky Louies who bag a white bird. Missed white targets are thrown again until they are hit. The regular trap targets are black with a yellow or orange dome. All ties will be settled by the toss of a coin.

IN ADDITION to the edible goodies there will be all sorts of valuable merchandise prizes, and they too

will be shot for.

Frosting on the cake will be six trophies which will be given to the unluckiest contestants who are plucky enough to be just plain bad.

SHOOTING WILL begin at 9 a.m. and continue until everything has been won or darkness descends upon the scene at the trap range of the Conservation Club (NICC), three miles west of Antioch on Route 173.

Hot food and drinks will

be served on the grounds all day long.

Watchers and kibitzers are welcome to come out and look, or heckle the shooters, as their fancy dictates.

William E. Brook is in charge of this event and said "the Antioch Lions Club is funding half of the \$21,000 it will cost to install the tennis courts in the new Dr. George W. Jensen Park, and all of the profits generated from this event will go towards that goal."

PLAN GROUP MEETS SEPT. 19

The Antioch Planning Commission will meet again on Thursday night, Sept. 19, to discuss donations to schools by developers in their planning of subdivisions.

The meeting will begin at 7:30 p.m. in the village hall.

At last Thursday's meeting, the group appointed a committee of three -- Les Zitkus, Don Amundsen and Ken Wierschem -- to review the commission's rules of order.

Sequoits Destroy Round Lake

PASS PROTECTION? -- Antioch quarterback Jeff Harceg had plenty of it on this play in last Saturday's impressive victory over Round Lake.

SPORTS

Long TD Runs Turn Panthers Into Kittens

By JERRY PFARR

Antioch has always been excited about its high school football team but this week there's a new excitement in the air.

It was stirred up by the Sequoits' stunning 35-6 victory in last Saturday's opener against the Round Lake Panthers.

It was a young but spirited and well-conditioned Antioch team. And the Sequoits were explosive.

They took charge of the game in the first quarter when junior halfback Dave Moore broke loose for touchdown runs of 32 and 53 yards.

Then in the second quarter, senior quarterback Jeff Harceg brought the crowd to its feet when he carried on a routine keeper into the line and simply kept going for 91 yards and another touchdown.

Antioch's fourth and fifth touchdowns came in the second half on short plunges by Harceg and junior fullback Tim Sheppard.

NOW THAT THIS Antioch team has captured the fans' interest, Friday night's game at Woodstock is the talk of the town.

The sophomores play at 6 o'clock and the varsity teams at 8.

Coaches in the Northwest Suburban Conference thought that Woodstock's Blue Streaks might be one of the stronger clubs in the conference. But they lost their opener at Wauconda 16-0 last Saturday.

"That tells us something about Wauconda," said Antioch's coach Roy Nelson. Woodstock hurt its chances in the game by being penalized nine times for 95 yards and fumbling the ball away once to give Wauconda an easy touchdown.

Woodstock has a veteran quarterback, Jim Kline, and a talented running back in Chuck Kerin. They probably will be the Blue Streaks to watch in Friday night's game.

A COUPLE OF big games are on the conference schedule this Friday. Wauconda plays at Warren and Grayslake at Grant. All four of those teams were winners last week. The two that win again Friday will be on top of the standings with 2-0 records. Antioch hopes to be there, too.

Warren, pre-season favorite to win the title, trimmed Lake Zurich 24-8 last Saturday.

Sophs Win Opener

Antioch High's sophomore football team opened its season successfully Saturday, scoring a 19-8 victory over Round Lake's sophs.

On the perfect autumn day, next year's Sequoits never trailed. They led 7-0 at halftime and were ahead 19-0 before giving up a late touchdown.

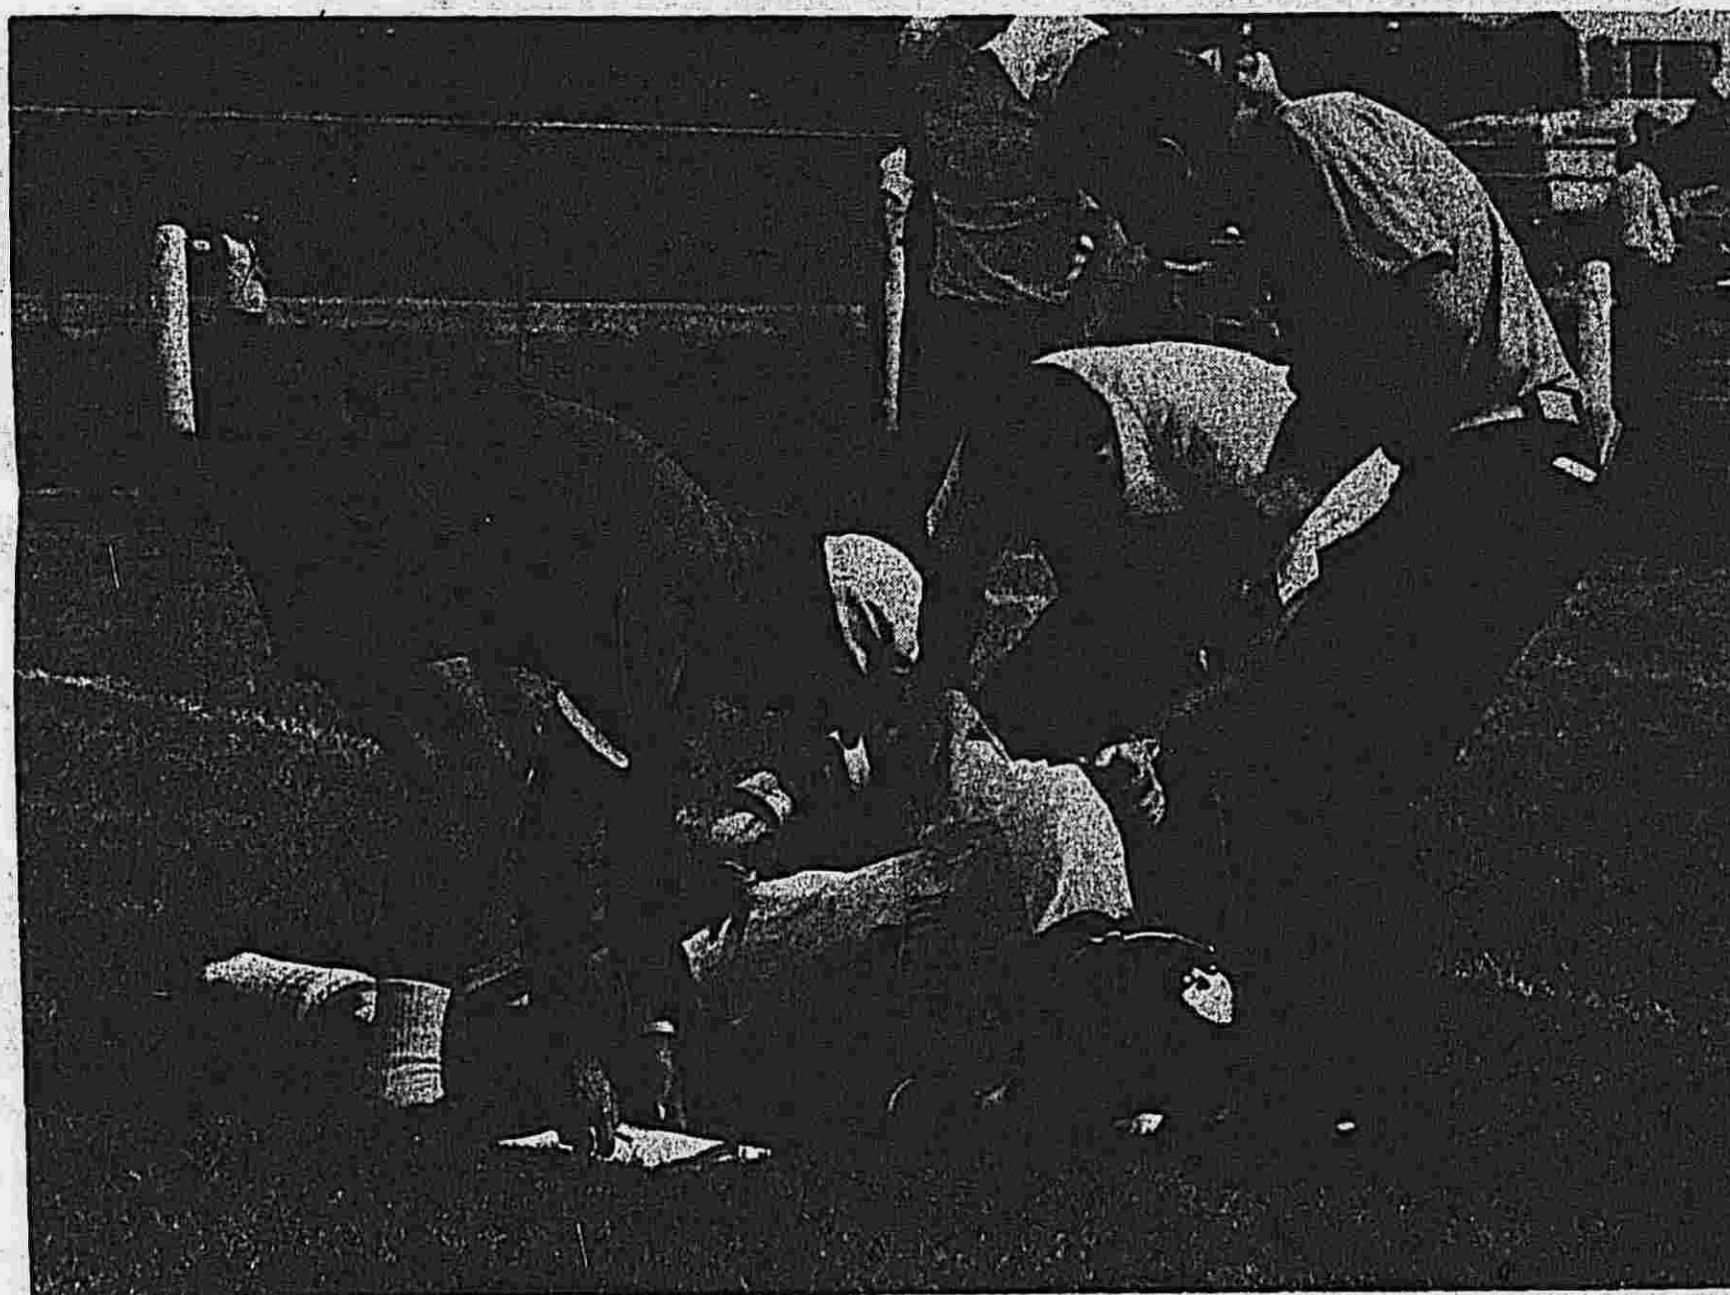

The Soph Sequoits took charge early with a hard-hitting, swarming defense that gave the visitors little room to run or time to pass.

The Antioch offense moved the ball well, but often was too eager and had plays called back for starting too soon.

Conrad Knutsen and Mike Vos were "point leaders" on defense by recovering fumbles, while Dave Zitkus earned nine "defensive points" by intercepting a pass. Todd Teneck also made an interception.

Offensively, Teneck scored two touchdowns and Mark Stewart passed to Bill Wates for another TD. Jim Peterson kicked the extra point.

Bruce Keckskemety showed versatility by running for 25 yards and passing, receiving and blocking well.

FAMILIAR SCENE -- Saturday's football game here was interrupted several times by scenes such as this -- doctor, coaches and trainers running to the aid of an injured Round Lake player. Round Lake had beaten Antioch in the final seconds last year, and Antioch was favored by less than a touchdown this time. But the Sequoits hit hard, outclassed their opponent and won easily, 35-6.

THE SIDELINES at football games once were reserved "for men only." But Antioch's coaches and players are assisted by five girls who are student managers. They are Tammy Kempfski (above), Chris Walpole, Pam Donovan, Cindy Dominas and Carol Gibson.

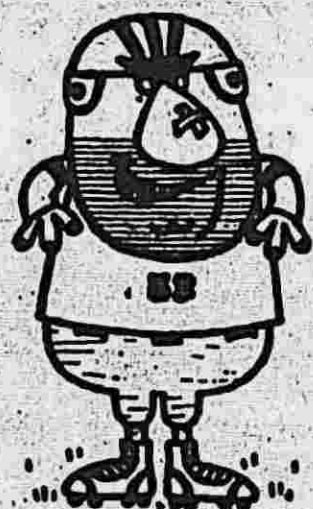

Moore Leads Ball Carriers

There were lots of stars in Antioch's 35-6 football win over Round Lake.

"We used 42 kids and I think they all did an outstanding job," said Coach Roy Nelson. "You pick out any one of them and all you can say is kind words. They're a good bunch of kids to work with, too."

Game statistics tell some interesting stories. Among them are Dave Moore's 162 yards in nine carries. The 175-pound junior halfback was a big star in the game, reeling off the first two touchdown runs that told Round Lake it was going to take a beating.

Quarterback Dave Harceg's

91-yard touchdown run was another clincher. It gave him a total of 106 yards in eight carries.

"I didn't expect this much out of the boys this early in

the season," said Coach Nelson.

It was a tough game right from the start. In the first quarter, Round Lake's Panthers were hitting hard.

Coach Nelson saw that and shook his head. But he immediately turned to his players and yelled:

"Remember, you're all in terrific shape."

And the Sequoits were. They wore down the opposition and Round Lake was soon a beaten team.

"The thing that made me the happiest," said Coach Nelson, "was the way our boys ran over after the game and shook their hands."

Champion Forecaster? It's Ted DeRousse

Some picked Round Lake and some picked Antioch to win last Saturday's football opener here.

Most of those who entered The Antioch News' football contest figured the score would be close.

One person didn't. He was Ted DeRousse, the high school's head wrestling coach and sophomore football coach. He picked Antioch to beat Round Lake 26-6.

The final score was 35-6.

So Ted is the first winner of this year's football contest. He will be receiving a check for \$15.

Ted is close to the Antioch team and knew it was

a good one.

The second place winner also knew.

He is Paul Pape, 13 year old freshman player at Antioch High School. He picked Antioch to win by a score of 21-7. For second place he wins a \$10 gift certificate at Bernie's Delicatessen and Beer Depot.

"I knew they were a good team," Paul said of the Sequoit varsity.

Third place in the contest was won by H. A. Pickard of 782 Corona. He picked Antioch by a 20-12 score and won a \$5 gift certificate at Stanley's Men's Fashions in the Plaza.

Many others picked Anti-

och to win, but all of them by seven points or less.

THIS FRIDAY Antioch goes to Woodstock. The contest entry blank appears in today's issue of The Antioch News. Be sure to get your entry to our office prior to Friday night's kickoff. First prize once again is \$15. Second prize is a \$10 gift certificate at Walsh's All Seasons and third prize is a \$5 gift certificate at BJ's Fashions for Men or BJ's Closet.

Those three experts, Ted DeRousse, Paul Pape and H. A. Pickard will be

Antioch Runners Off to Good Start

The Antioch Cross Country team opened its season last weekend at the Crystal Lake Invitational. Twelve teams were represented and Antioch did very well. Most of the Antioch runners bettered their times from last year, showing promise for this early in the season.

Antioch finished sixth in the strong competition. Some of the teams ahead of Antioch were the winner, Rockford-Guilford, Maine West, Deerfield, DeKalb and Evanston.

Out of the 106 varsity runners Antioch's top seven were Kevin Walpole 7th, Mike Harland 19th,

George Pierce 40th, Steve Whitmore 41st, Bob Dubek 58th, Bob Dodd 80th and John Christensen 103rd.

In the sophomore race Antioch finished fifth. Bill Harland was 16th, Rich Oscarson 23rd, Bob Ogden 35th, Jim Bucar 40th, Greg Krol 48th and Bill Stanley 52nd.

In the freshman race Antioch didn't have enough runners to field a team but individually Dave Walpole and Gary Bailey finished 34th and 35th respectively and Fred Bentel 58th.

The Sequoits' first dual meet is with Cary-Grove Thursday, Sept. 12 at Fox River Park in Wilmet at 4:30 p.m.

Antioch Freshmen Rout Rival, 32-0

Antioch High's freshman football team opened its season last Friday with a fine effort, defeating Round Lake 32-0.

Coach Norm Hahn called it one of the best opening games ever for an Antioch frosh team. The game was never in doubt as Antioch scored in every quarter.

Keith Radke intercepted a pass and ran 28 yards to the Round Lake 17, setting up the first touchdown. On the next play halfback Ken Rosenbrock scored behind the blocking of fullback Tom Huebner.

Huebner plunged one year for a second quarter TD and, less than a minute later, Radke intercepted another pass and returned it 60 yards for a touchdown.

Antioch's fourth score came on Jim Crutchfield's 28 yard run down the sidelines in the third quarter.

Tim Huebner got the last TD on a 32 yard pass from quarterback Tom Dixon.

Antioch's defense also was tough. Rosenbrock and Al Roth intercepted passes, in addition to Radke's two thefts. Rick Motley recovered a Round Lake fumble.

Jim Dituro was the leading tackler with eight and, along with Rich Packert, and Mike Harr anchoring the defense, they held Round Lake to one first down and only one excursion across midfield.

Coach Hahn credited the offensive line and quarterback Brian Andrews with excellent first game play, and added that the defense was "super."

The frosh play at home Friday, 4:30 p.m., against a good Woodstock team. Everyone is invited to attend.

Marish Wins Again at Wilmet

WILMOT -- Ron Marish of Milwaukee made it two in a row at Kenosha County Speedway Saturday night by winning the 25-lap feature for the IRA super modified cars.

Marish took the lead on the 19th lap and beat out Dick Colburn, who finished second.

Marish is the current point leader for the 1974 championship. He will be dueling for the title this Saturday night against Aaron Solsrud.

Saturday's open competition show will feature cars from throughout the midwest and

upper Michigan.

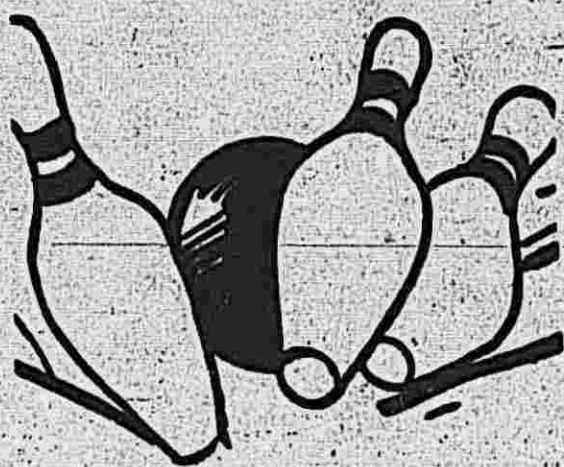

In last weekend's races, Whitey Harris of Lake Villa and Carmen Manzardo of Lindenhurst scored heat race victor-

ies. Jim Moulis of Fox Lake was fourth in the feature.

Dick St. John of Milwaukee had the fast time on 63 mph and then finished third in the feature.

State Bank Ties for 2nd

The State Bank of Antioch team wound up tied for second in the Interstate Classic softball league in Kenosha.

The Bankers finished with a 9-5 record while the championship was won by the nationally-famous Tirabassi Club of Kenosha.

In their final game last week, the State Bank players were upset 15-4 by Finney's Lounge, erasing their hopes for a share of the championship.

The Gazette-Times of Heppner, Ore. tells of a bumper sticker reading: "Eat a beaver, save a tree."

ROOKIE DRIVER John Dost of Antioch (No. 30) competes at Kenosha County Speedway every Saturday through Sept. 21. He already has won two heats and finished sixth in the feature race.

Gets First Big Win At Waukegan Track

Waukegan - Rich Oertel drove to his first late model feature win Saturday at Waukegan Speedway in the first Saturday night of open competition stock car racing.

Oertel set fast time and won both the fast heat and the feature, but missed a clean

sweep when Ted Richter edged him in the dash. Richter finished second in the feature after Scott Shultis spun in the final corner. Joe Francisco took third followed by Ray Dixon, Shultis and Barry Krueger.

Two of the more spectacular late model accidents of the

season interrupted the races. In the first heat three cars tangled in the first turn with Jim Ruth's Torino erupting in flames which completely engulfed the car.

Ruth jumped free of the inferno and track safety crews were able to limit the damage enough that Ruth's pit crew

could make repairs in time for the feature.

Then in the feature event, Bill McDonald and Joe Horn collided coming out of the fourth turn in the 14th lap as they raced for third money. McDonald shot high into the air behind the wheel of B. H. Leslie's car and slammed head-on into the concrete wall just below the starter's stand. McDonald was unhurt.

The red flag erased a big lead Richter held with Oertel gaining the lead briefly on the 16th lap before he and Richter tangled with Shultis enjoying the lead.

Oertel, who led twice in last Sunday's 50-lapper, took top spot for good in the 19th lap and cruised to his first Waukegan feature win.

This Saturday the hobby drivers will compete in their final point race and receive their trophy awards. There will also be a powder puff derby and another roll-over contest along with the 25-lap late model feature.

Talk About Thrills! Wilmot Plans 'Em

Wilmot - Plans are complete to hold a gigantic 100-car demolition derby at Kenosha County Speedway in Wilmot on Saturday night, Sept. 28.

In addition to the cars that will crash to a final halt, fans will see two major thrill attractions. Mighty McDermott, a professional daredevil, will perform stunts on a motorcycle and then ride through a 1,500 degree flaming

tunnel of fire that will measure 65 feet. McDermott holds the world's record for the tunnel of fire that caused the death of a motorcyclist in England.

In addition, McDermott will ride down the Kenosha County Speedway with a flaming cloth bag over his head. This particular stunt is an original with McDermott who first performed the stunt by diving his motorcycle off a pier into the Mississippi River.

Two other people will join in the "Carnival of Thrills" at the Speedway. They are billed as Mr. and Mrs. "X". They will lay

down in a wooden coffin and then discharge several sticks of dynamite that will completely destroy the coffin while causing them only momentary loss of breath. The secret is in how the dynamite is arranged around the two people. The couple, from southern Illinois, are among the few who perform this duet-with-death stunt.

Gates will open at 6:30 p.m. on Sept. 28 with the first of four Demolition heats at 7:30.

Kenosha County Speedway is a few miles northwest of Antioch on highway "C" in Wilmot.

Golfers Show Promise

Antioch High School participated in its first fall golf match Tuesday, Sept. 3, at Spring Valley Country Club. The season opener was with an experienced Mundelein team. The Antioch varsity lost by a score of 159 to 169. Medalist for the match was Mundelein's John Olsen with a score of 38. Pat Houghton took medalist honors for Antioch with a 39 on Spring Valley's back nine.

Coach Mark Guthrie said that fine effort was displayed by freshmen Steve Hartokolis, Keith Rezin and John Eder; sophomores Jim Christiansen and Terry O'Brien; juniors Bob Walsh and Mike Burke; and seniors Dan Donica and Scott Thode.

"Although a couple members were mentally unprepared, their enthusiasm leaves me optimistic for the remainder of the season," Coach Guthrie said.

CALLING ALL VILLAGE RESIDENTS OF LINDENHURST! Put on your dancing shoes and come to your free village street dance this Friday in front of the Civic Center on Old Elm Road between 8 and 12.

You will never guess who will be furnishing the music for the evening? None other than the Warlocks, of course! There will be liquid refreshment available through the Lindenhurst Men's Club and hot dogs and popcorn as well.

It should be an interesting evening and this writer has been assured that the band will play music for all ages. Hope to see you there!

MONDAY NIGHT'S board meeting proved to be an interesting one. A number of village residents attended, protesting the barbed wire fence going up along Beck Road

enclosing Red Rock Lake and adjacent land belonging to Mr. Mort Engle off from the village residential area. The board was unable to offer any legal assistance to the problem.

REMEMBER THE proposed swimming pool ordinance submitted by a number of concerned residents and Trustee Steinke for a sliding scale permit fee? The board voted on and passed an amendment to the existing pool ordinance requiring the sliding scale rates. For further information concerning this ordinance you should contact the village hall.

Once again the village board discussed the flood plain insurance subject and it looks like those residents in the designated flood plain area will be required to purchase insurance against flooding. Nice, huh?

ABC's of Travel

By BARB CORBIN

As this year began, worried air travelers were turning to travel agents for assistance in the midst of the fuel crisis. In addition, more business firms are seeking out retail agencies to handle their accounts and the volume of commercial traffic booked by the agency is growing significantly.

It is still a challenge, for many of the workaday problems occasionally make life inside an agency frustrating; but then there are those moments which make it rewarding.

Agency work is unique in that even the most experienced people are constantly involved in a process of re-education. The details change frequently (albeit sometimes too frequently) and as the agent for airlines, steamship lines, trains, and tour operators; the retailer is a constant gatherer and interpreter of information. He is a salesman. He's got to be up-to-date if he wants to be a good one.

At the same time, however; the agent represents the traveler, "The Client." He performs a service free of charge and his ability to satisfy people is where success ultimately lies. It is this capacity to understand human needs whether it be daily or emergency; this basic insight into personality is what separates the travel agent from the airlines ticket agent.

The next time a question comes up, give your local travel agent a call - it can be the cheapest call you have ever made. Let him do the work.

Senior Power

SENIOR POWER is a growing issue in Lake County these days. On Tues., Oct. 1 more than four hundred seniors and those interested in the problems of aging will convene the Lake County Conference of Older Americans.

The morning will be devoted to a welcoming session and a series of workshops to discuss issues such as: Nutrition, Transportation, Social Networks, Health, Political Awareness and others. A major personality will address the early afternoon session. He will be followed by a presentation of the results of a needs survey of Senior Lake Countians.

The purpose of this Conference is to analyze the unique problems of aging and to develop an area to secure assistance and services for the aged.

Those interested in participating in the Conference can get a registration form by calling 623-1860. The fee for the day is \$2.50 which includes a light lunch.

CHRISTIAN SCIENCE CHURCH

Jesus proved the nothingness of sickness when he healed the multitude, as described in St. Matthew 14 in the Bible.

This is brought out in the Bible Lesson-Sermon entitled "SUBSTANCE" at Christian Science church services Sun.

Citations from SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy include this statement: "Christ, Truth, was demonstrated through Jesus to prove the power of Spirit over the flesh, -to show that Truth is made manifest by its effects upon the human mind and body, healing sickness and destroying sin."

Members of First Church of Christ, Scientist, Rte. 173 and Harden, Antioch, Illinois invite the public to come to the Sunday services held at 11 a.m. Care for children is provided.

hard hats, safety glasses and safety clothing to offer protection during their daily work routine.

On May 8 of this year, three employees, Richard Harland of Antioch, Fred Teltz of Lake Villa, and Terrance Mahoney of Round Lake Beach, were graduated as qualified instructors of the American Red Cross multi-media first aid course. Since that time 103 county highway employees, plus 31 employees of various township highway departments, have taken and passed the course to enable them to carry the standard first aid card.

In the past year the employees were exposed to various training sessions in the areas of equipment handling, snow plowing, traffic control and shop safety. These sessions were conducted by supervisory personnel with expertise in these fields. By having membership and close affiliation with the National Safety Council the highway department has obtained safety films which have been shown to employees.

Besides Chairman Murrie, the public service committee, consisting of Keith Pederson (District 5), Helen Amendola (District 1), Victor Gantar (District 2), Frank Tersar (District 2) and Joseph Dassing (District 5), has placed employee safety at the highway department on the top of the priority list, according to department officials.

Is This Any Way To Start a Football Season?

You Bet It Is!

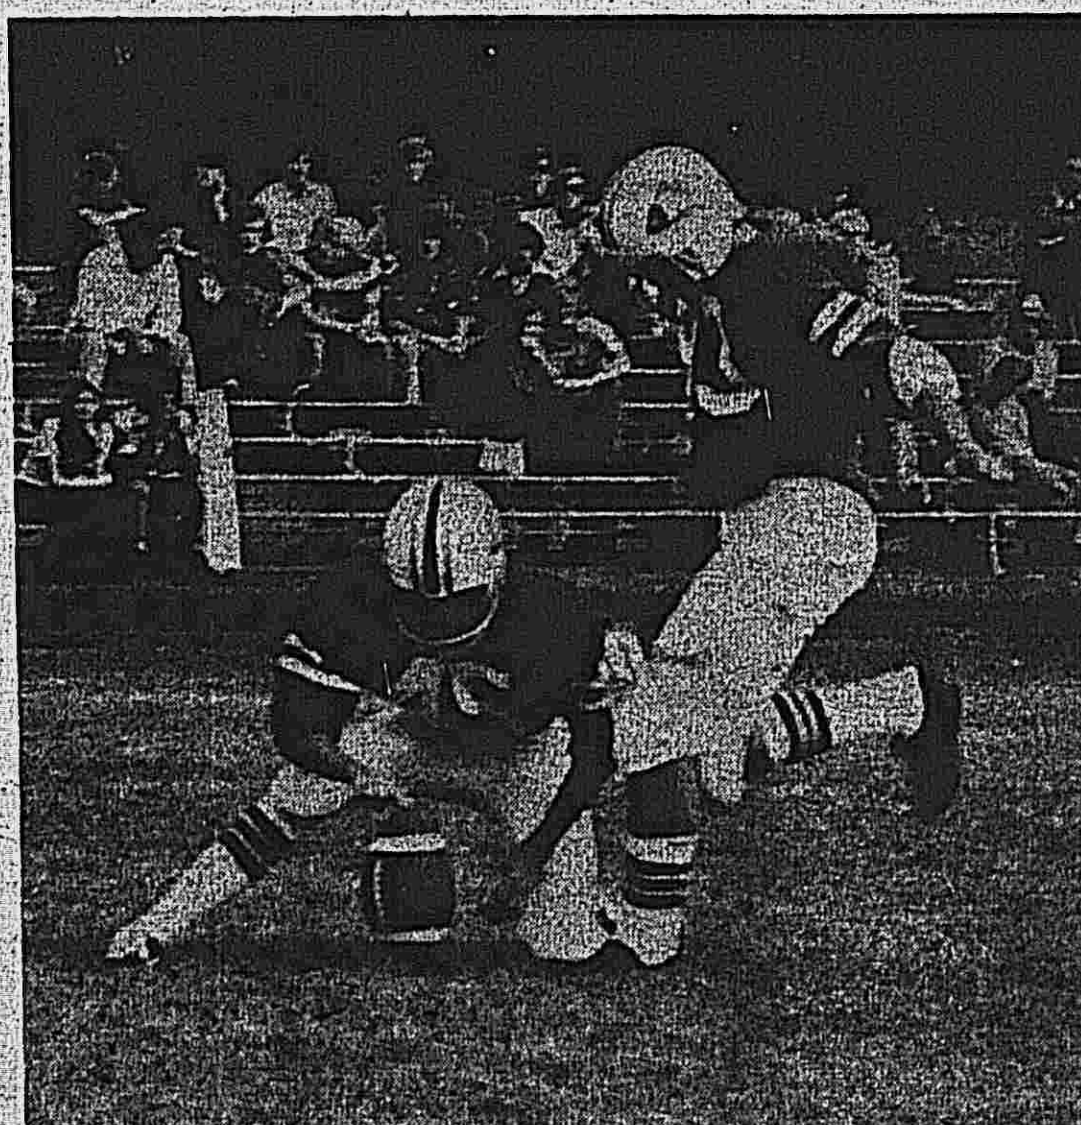

THE SCORE WAS one-sided, but it was a hard-hitting football game Saturday as Antioch beat Round Lake 35-6. An Antioch blocker takes one on the chin (left) as halfback Dave Moore follows him through the Panther defense. (Paul Maplethorpe photo.)

THAT'S DAVE MOORE (No. 32) threading his way through Round Lake tacklers for some of the 162 yards Saturday. (Paul Maplethorpe photo.)

ANTIOCH SEQUOITS had much to cheer about Saturday. Five touchdowns by their teammates brought the bench to its feet. Then the bench went in and played super football, too.

JEFF SCHMIDT booted five straight extra points through the uprights. Larry Ellis, a 5-7, 113-pound junior, did the holding. "Ellis wanted to come out for football," Coach Roy Nelson said, "And, believe it or not, he worked on holding the ball all summer."
